

Gawler Central Sporting Club Administration Centre Redevelopment Sponsorship/Donation Opportunity

The Gawler Central Sporting Club is embarking upon one of its most significant projects – the redevelopment of the Administration Centre (or better known as the Dog Box). The project will involve the complete stripping down of the building, followed by a renovation that will also include a 9 metre undercover platform extension. This fully functional facility will be used seasonally during cricket and football, and also provide a space for club meetings and storage.

Visual impressions and current design plans of what we hope to achieve are available from www.gcsc.com.au/sporting-club/admin-centre

What kind of Sponsorship/Donations are Required?

1. We are primarily looking for donations of material, labour and services
2. Cash sponsorship or business vouchers to suppliers

How will we Recognise your Sponsorship/Donation?

1. We will be creating a recognition board that will be forever in the Administration Centre and you or your businesses name will be placed on it
2. A page on the Sporting Club website will also be created to recognise people or businesses
3. Based on the level of sponsorship/donation, we will offer Sporting Club membership that includes opportunities to watch football, netball and cricket games as well as attend Sponsor's Day (winter/summer)

What do you need to do next?

1. Contact Lead Builder Aaron King (0402 324 966), Project Manager Mark Hermann (0403 328 522) or email admin.centre@gcsc.com.au to discuss how you can help
