**Tigers**  
Season 2018

S p o n s o r s h i p   P a c k a g e s

Gawler Central Sporting Club Inc.  
PO Box 29, GAWLER SA, 5118 ABN: 587 254 51 314

**The Gawler Central Sporting Club Inc (established 2001).** Originally under the name of the Gawler Central Football Club (established 1889) we combined all three sporting codes (football, cricket and netball) into the one single, stronger entity. Our member/player list in 2016 exceeded 1,000. This extended Club network offers more consistent and efficient administration providing a range of benefits and opportunities to our players, members and sponsors. As a Sporting Club we measure our success in many ways by participating players, officials, supporters, families, past players and friends of the Club.

**Football: While the 2017 season saw only the U15's play finals it was a good year for the club as the development and growth of the talent within the senior group was fantastic** and with a bit of luck in a few games both A grade the Reserves could've been playing finals again. The experience gained by the younger players last season will reap benefits in the future for the club along with selective recruiting. There were plenty of highlights off field with Charlie Molyneux capping off a great year winning the Schluter Medal. Another successful Club 1889 day was held with the unveiling of the players board with all those that have played A grade football since 1971. The inaugural Pink Day to raise awareness of Cancer was an outstanding success with the money raised going to Australian Breast Cancer Research. Sponsors day was a great success and it was great to see so many sponsors attend on the day to allow the club to recognise your valuable support. Women's football was introduced into the BL&G with great success and Gawler Central had 2 teams and this will continue to grow in the years ahead. Your support to the club is very important and very much appreciated and we look forward to that continuing with a successful 2018.

**Netball: Adding another dimension to the Gawler Central banner back in 1987 when netball first started,** plans are well in place for another great year in 2018. In the 2017 season we again fielded teams across all the divisions - seven Senior sides and all Junior age divisions (17 years & under down to Netta for 8+ year olds), while also offering the successful Net-Set-Go programme for the 6-7 year olds. Encouraging, developing and promoting our Club juniors through the ranks playing alongside our talented senior core, saw many teams playing on into the final series. Pre-season for 2018 started on January 14 as we aim to field the full complement of teams in the coming season. New Club Head Coach Reece Turtur has joined us this season, coming to us from Central Districts which provides a great outlook for the 2018 season ahead as we maintain and strengthen our focus on development and enjoyment for all our Junior and Senior players and for everyone involved in the Club. Our sponsors are a much valued and appreciated part of our club and we look forward to your continued assistance.

**Cricket: The 2017/18 cricket season has seen major changes around the club.** We ended last season on a strong note with the A4's winning the premiership, and thanks to a collaborative effort from members of the cricket and football club, we have started this season on a really positive note with the redevelopment of the clubrooms (Dog Box) completed. This has had positive flow on effects throughout the cricket club. This season has seen us introduce another senior side, taking us to 4 teams (A1, A2, A3 and A4), making us one of only 2 clubs in the association with a team in each of the top 4 grades and placing us in a strong position for the future. Once again, our junior programs have been a strong point, where we have fielded 3 teams within the newly formed Under 12 division and a team in the Under 14 division. In addition to this we are fostering development of future cricketers, both male and female, by running a MILO In2Cricket program as well as participating in the Girls Strikers League. Sponsors have played a significant part in getting us into the enviable position we are in and will continue to do so into the future. We thank each and every sponsor for your support it is extremely valuable and greatly appreciated.

Gawler Central has already placed priority on the encouragement and development of its junior players in all three sports. This is still evident today with the majority of our senior players having made their way through the junior ranks. Among our junior players who have gone on to play at the top level are Darren Lehmann (Current Australian Cricket Coach), Hugh Reimers (AFL – Western Bulldogs), Matthew Slade (8 time CDFC Premiership player, B & F winner, Captain and Life Member), Brad Symes (CDFC Premiership player, Port Power and Adelaide Crows player). Chelsea Lemke current member of Queensland Firebirds Netball side competing in the ANZ Championship (Trans Tasman Netball League).

With the formation of the Sporting Club to support our three codes we are moving into the future with a positive outlook. Our aim is to provide an enjoyable, safe sporting environment for all our members and their families.

Whilst the future looks bright for the Gawler Central Sporting Club we require the support of local businesses such as yours to continue the success on and off the sporting fields.

As part of our ongoing improvements to the club, we have installed a digital TV advertising system to which more clearly promotes our sponsor, boosting interest in business activities. This system has the capability of not just being able to show a business logo, but also a video or advertisement to attract more business for our sponsors. We welcome the use of this function by all sponsors. We have also been redesigning our club website and have developed a sponsors section to promote our sponsors in the wider community and through Facebook. This platform is also available for use for special promotions and advertisements.
